### Photograph/Video Permission Form

Whilst young people are taking part in activities organised by our youth workers we occasionally like to record an event or activity by taking photographs or using a video camera. The images may be used for reports, displays etc or even just as memories for the young people. We are aware of the sensitivity surrounding this issue and therefore will not photograph/video any young person without the consent of their parent/carer.

If you are happy for your son/daughter to be photographed/videotaped during the normal course of the activity please sign the form below.
