

THE GENERATION GAME

HELPING TO BUILD
RELATIONSHIPS ACROSS
THE GENERATIONS

Charity No. 1168343

Recruiting NOW in Cottenham

An opportunity has arisen for 15 young people (**aged 12 and over**) to attend our Generation Game Project in Cottenham. This will run on a Wednesday from 4 – 5.30pm in The Lounge at Cottenham Village Hall, starting Wednesday 24th September 2025.

Do you want:

new skills?

increased confidence?

new friends?

your CV to stand out from the crowd?

How about:

being involved in a positive activity?

helping the local community?

completing your Duke of Edinburgh?

discovering what skills and knowledge you have that could help others!

The Generation Game Project can help you!

What is it?

It's a ten-week course meeting every Wednesday from 4 – 5.30pm at Cottenham Village Hall, costing just £20 per young person.

It starts with hot chocolate and cake, as we unwind from our day.

We then look at and discuss topics such as how to be a good visitor to the elderly; what it's like to live with dementia; how we can help people who live in care homes; how similar/different our hobbies and interests are compared with an older person.

Each week is very different with activities; games; visitors and the chance to put your new skills to the test by visiting a care home with us.

At the end of the course, you will have: a portfolio of your work; a Dementia Friends and First Aid Certificate and a host of new knowledge and skills. We'll also offer you the opportunity to take part in voluntary work in the local community.

You could use this course as your Skills Section for Duke of Edinburgh. It will also boost your College and University Application Forms and employment opportunities.
